### TO WHOM IT MAY CONCERN

This serves to confirm that Miss Amanda Blankfield (ID 830205-0056-086) was employed by Afrika Tikkun from July 2007 to end February 2013.

She was our Public Relations and Events Manager and played a key role in developing this company from 160 employees at inception to a present staff complement of 640, with over 15,000 beneficiaries.

She played an integral part in the growth of the organization and was a key executive in the management team. She attended regular exco meetings where her input and contribution was very much appreciated.

Amanda's functions included:

Arranging and attending major launches with customers, media and high networth individuals, liaising with Television crews, Newspapers and other Media for maximum exposure of the company.

She arranged events like Nelson Mandela Day, annual year-end functions and major corporate events, and also took donors out to our sites.

Amanda was a very diligent and popular employee and was loved by all. She is very well spoken and made some excellent presentations and speeches at the various events.

I would recommend Amanda to anyone as an employee, and would not hesitate re-employing her should the opportunity arise and wish her well in the future. I am sure our paths will continue intertwining.
