Heartlines

So far three of the nine provinces' winners have been chosen: **Ridge Park College** in KZN, **Alexanderbay Secondary** in Northern Cape and **Dlomodlomo Secondary** in Mpumalanga. All nine winners will participate in the National Competition on 1 October in Johannesburg.

YCAP is an initiative that is hosted by **Afrika Tikkun**, a NGO focused on empowering South Africa's most vulnerable children to develop into well-adjusted, productive members of society.

The programme is sponsored by **Deutsche Bank** and is conducted in close collaboration with the **Race and Values Directorate of the National and Provincial Departments of Education and Heartlines**.

"While participating schools could win substantial cash prizes, this is more than a competition. It challenges the Grade 10 learners to actively demonstrate what it means to be a good citizen and to do something concrete to address a challenge within their school or community," Blankfield explained.

Issues being dealt with by schools participating in **YCAP** range from teenage pregnancy; poverty and hunger; substance abuse and bullying to environmental concerns.
